TRUMAN WILSON

PARK – PUBLIC

INPUT MEETING

Open House Meeting

The Town of Christiansburg is excited to begin the process of master planning the Truman Wilson Park! To kickoff the master planning process, the Town and our team of consultants will host an 'open house' style meeting on May 4 to allow our citizens a chance to ask questions, express concerns, share visions, and to take part in the process. It is also a chance for citizens to learn more about the consultant team, the planning process, and the project schedule.

The 'open house' format provides a casual atmosphere where you can drop-in and roll-out to suit your own schedule; you'll have a chance to share your own thoughts and to hear those of others. Grab a friend and come on by the Christiansburg Recreation Center on May 4; we look forward to hearing from you!

A great chance to learn about the upcoming Master Planning Process
